

These are the list of items for the Basics Class. I have indicated which items are mandatory for class. If you want to experience more colors, the set of 24 is a good way to do that. There is a minimum of \$45 at Jerry's Artarama for free shipping. So if you order all on the list you will reach that. Otherwise, you will be charged shipping, but it's nominal. It takes at least a week to receive your order.
